Comments sought on BLM proposal for Monte Cristo Wild Horse Territory

On Nov. 12, The Bureau of Land Management (BLM), Ely District announced the availability of a preliminary Environmental Assessment (EA) to address potential environmental consequences associated with excess wild horses within and outside of the Pancake Complex of herd management areas located in Nye and White Pine counties.

The preliminary 10-year Wild Horse Gather EA was available for public review and comment for a period of 30 days.

This EA analyzed and incorporated the Monte Cristo Wild Horse Territory on the Ely Ranger District, Humboldt-Toiyabe National Forest. On May 4, 2021 the Ely District of the Bureau of Land Management issued a Final Decision and FONSI for the BLM portions of the Pancake Complex.

The Ely Ranger District of the Humboldt-Toiyabe National Forest intends to utilize the Environmental Analysis and the Environmental Assessment prepared for the Pancake Complex by the Bureau of Land Management to prepare and issue a Decision and FONSI for the Monte

Cristo Wild Horse Territory.

The Forest Service is requesting your comments on our proposal to issue a Decision for the Monte Cristo Wild Horse Territory utilizing the BLM's Environmental Assessment for the Pancake Complex. Written, facsimile, hand-delivered, oral, and electronic comments concerning this action will be accepted for 30 calendar days following the publication of this notice in the Ely Times. It is the responsibility of persons providing comments to submit them by the close of the comment period.

Comments must be submitted to: District Ranger, Ely Ranger District, 825 Avenue E, Ely, Nevada 89301. The fax number is (775) 289-2132. Arrangements can be made to hand deliver comments by contacting Jose Noriega at (775) 289-0176.
